STEP 1

INTRODUCTION

HOW IT WORKS:

You will learn 8 Church Planting Essentials for **STARTING STRONG** churches.

(1/2 Day Workshop)

HOW FUNDING WORKS:

Receive up to \$20,000 prior to launch day then an additional \$10,000, if needed, paid over 4 months post launch - no interest, no fees to start your new church.

Four months after launch, you begin re-investing back into **STARTING STRONG** with 10% of tithes and offerings until you have given to another church planter what was given to you.

Once you have reinvested in full, **STARTING STRONG** church plants continue to designate 2% of your budget to “**STARTING STRONG** Church Planting”.

STEP 2

ADVANCED TRAINING

INTENSIVE TRAINING WHERE YOU WILL LEARN TO:

- Recruit your launch team
- Identify and secure financial resources
- Master skills for Sunday messages
- Create an atmosphere for visitors
- Develop a marketing plan
- Strengthen your marriage
- Energise and interact with your creative team.

(2 Day Workshop)

STEP 3

ASSESSMENT

Time is spent with you and your spouse to evaluate you as a potential ACC QLD/NT church planter.

Calling, gifts, strengths and strategies for church planting are considered.

Honest feedback of strengths and opportunities for growth is offered.

(1 Day Workshop)

STEP 4

LAUNCH

As you move forward to launch day, the church planting team helps you build momentum.

You will have connection with existing church planters to help guide and mentor you in the process.

Matched funding up to \$30,000 is offered to approved church planters.

SOME OF THE REQUIREMENTS:

- Build a launch team of 35 adults
- Raise \$30,000 (ACC QLD will match amount raised)
- Find a sponsoring church
- Secure a suitable location

CHURCH PLANTING IN QLD & NT

This new approach to church planting in Queensland and Northern Territory is not the only way to plant a church. Churches can and will continue to plant churches in a variety of ways.

We are believing that this new strategic approach will strengthen church planting and empower church planters for a fruitful season ahead.
