

New Life Centre Mundubbera Positions Available

If you have every wanted to be a PAID missionary this is your opportunity!!!

Many people go overseas on their own money which is great and which is needed we honor them give to them and pray for them, but just like going overseas and providing for other countries, why not look at an opportunity to serve and provide like that in your own country AUSTRALIA!!!!

The great south land of the Holy Spirit needs people willing to go into its own country and help raise up the young people in rural communities. There are thousands of young people in rural Australia needing Jesus just as there are thousands in the city areas. There are many country ACC churches with these types of opportunities available and Mundubbera is just one of them.

Truly, from the heart of pastors, who were in their late 30's with young children in Brisbane at very large church (which we loved and did think we would serve anywhere else) to now being Senior Pastors in Mundubbera; If you are willing to look outside the box, God will show you opportunities.

If you know God has called you don't limit him, don't put him in box as to how you think things should look. Everything you need to for fill your calling is within your calling! (As Ps Allan Davies always says)

New Life Centre Mundubbera is looking for Youth/children's Pastors. There is also a School Chaplains position which is a PAID 4 days a week position.

Chaplaincy position - with Scripture union, our schools and community are super keen to fill this position.

Our **Youth Pastor** position is voluntary at this moment but in time to come it will be a paid position. There are several other job opportunities available in and around Mundubbera.

For more information please contact Ps Allan Cowburn 0435125638 or Ps Marissa Cowburn 0421340967'.
