# EMERGING LEADERS

The future of the church has never looked so bright with young people across our state taking up the call to help build the church and see the name of Jesus made great in this generation.

'Emerging Leaders' is one of the great initiatives to come out of our state and has been the impetus for many key young people progressing in leadership & ministry throughout Queensland & NT.

The Australian Christian Churches are the envy of other movements because of our abundance of sharp, hot for God young leaders coming through the ranks. This has not been accidental.

Each year more than 100 key leaders gather for three days of leadership training and impartation. 'Emerging Leaders' is a major catalyst for the development of leaders. With input from key church builders as well as the opportunity to network with like spirited young people from around Queensland & NT, Emerging Leaders will be a landmark event in your life.

Network with key young people across the state.

Sessions on leadership and ministry from church leaders.

Q&A sessions with key church leaders about life, leadership and ministry.

Powerful sessions of praise, worship, prayer and ministry.

Whether you see your future ministry in the church or the secular workforce, 'Emerging Leaders' 2023 will sharpen your God-given abilities to help build His church and see His Kingdom expanded.
